------	---

Gaps in Practice History

I have not practiced since the end of 2014, as I started studying computer science in 2015, I was a primary caregiver for two children from 2016 to 2017. I worked as a tutor for children in 2016, a computer science tutor from 2017-2019, and a DevOps Engineer from 2019-2020.

Registration History

I was registered as a provisional psychologist between 2012 and 2014 in Tasmania. I applied for general registration in 2020, and this is under assessment.
